

THE HAMLIN HERALD

IN 31ST YEAR—EVERY WEEK SINCE 1905.

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, FEBRUARY 21, 1936.

NUMBER 17.

Hamlin Chamber of Commerce Annual Banquet Well Attended

As per announcement last week, the annual banquet of the Hamlin Chamber of Commerce was held at the Methodist Church, Monday night of this week.

The ticket selling committee disposed of 127 tickets, and with the out of town guests, there were about 125 places occupied at the tables, despite the very cold weather.

The ladies of the church had the assembly room and the tables attractive in the patriotic colors of red, white and blue, and a bountiful plate for everyone.

The high points of the evening were that the President of the organization, W. L. Boyd, acted as toastmaster.

Among the number of out-of-town guests were Senator W. B. Collie, of Eastland, D. A. Bandeen, of Stamford, Secretary-manager of the West Texas Chamber of Commerce, T. N. Carswell, Secretary of the Abilene Chamber of Commerce and several others from Abilene. Aspermont was represented by Judge and Mrs. Roy Anderson. From Anson came Mr. and Mrs. George Harrell and Attorney and Mrs. Gilbert Smith; Mr. Bandeen was accompanied by Louie Brayman, Bernard Bryant and Bill Hardy, all of Stamford. Levi McCollum and Garland Davis came over from McCaulley.

The chief musical numbers of the evening were furnished by Mrs. Henry Albritton at the piano, with Mr. M. Shaw of Abilene leading in the singing. From Simmons University a most excellent quartet furnished several selections.

In the business of the evening, Tate May presented the New Constitution and moved its adoption. This includes among other things that the membership shall be entitled to a vote, with one vote for each dollar paid monthly, with no member having more than 5 votes, regardless of its monthly contribution. The new constitution also provides for 12 directors. The twelve will draw lots for length of term—the first four gets one year, the second four two years and the third four three years. After one year four new members will be chosen each year by vote of the membership.

The directors selected from a list of 25, Monday night, under the new

constitution, were Tom Teague, Harold Bonner, B. L. Jones, J. E. Moody, Tate May, Joe Culbertson, J. W. Ezell, Richard Lehman, B. M. Brundage, Arlie Cassle and W. L. Boyd and J. J. Waggoner. These directors will choose from their number the New President and Vice-President, who with the ten other directors will select the Secretary.

At the meeting, W. E. Benson, Secretary, presented his annual report, showing the financial expenditures and the balance on hand. He also suggested a program for the year 1936, among which was the continued efforts to get hard surfaced roads to the west reaching Rotan and Sweetwater. Other civic projects were suggested.

The chief talks of the evenings were made by Mr. Bandeen and Senator Collie. Mr. Bandeen went into the details of Chamber of Commerce, touching of course the relationship of the West Texas Chamber of Commerce to the smaller units.

Mr. Collie took the people into his confidence and talked easily and plainly on the expenses of state government and especially the tax question and the Old Age Pension payment problem.

Pastors Littleton and Longino of the city offered the invocation and the benediction.

CARD OF THANKS

We take this means of expressing thanks and gratitude to our friends and neighbors for their many acts of kindness shown our dear mother and grandmother during her illness and for your sympathy to us at the time of death.

T. A. Jean and Family,
G. T. Sipe and Family,
W. R. Sipe and Family,
W. C. Sipe and family,
Mrs. Sally Coody.

TAX NOTICE

The City Council has set MARCH 31st, 1936, as the last day in which to pay city taxes without penalty and interest. Pay your city taxes now, save the penalty and interest, and help your city.

J. B. EAKIN,
City Tax Collector. (17-6t)

YOUR FOOT AND YOUR SHOE

(Mr. Richard Lehman submits to us the following lines, which we are glad to publish.)

"When your feet hurt, you are hurt all over." There is truth in this saying. It's surprising how many people are bothered by their feet and how little is being done to find out the cause of it, how few try to remedy their foot condition.

In its natural state, the human foot presents an example of the most perfect mechanism connected with the human frame. When one realizes the complexity of the structures, the completeness of every form of tissue involved in the construction of the human foot, it is then clear what an important part of the body this is.

The causes of foot trouble are

many. Various deformities of systemic origin require the attention of a skilled physician. The majority of foot pain however is caused by physical defects of the frame work of the foot and can be remedied by corrective foot exercises and by mechanical appliances.

An active shoe store realizes the importance of this problem, and you can find even in our smaller towns a store with shoe men, who are familiar with the structure of the human foot and its deformities, who know the serious consequences of the improper fitting of size and shape of shoes and who are able through careful study and experience not only to apply corrective remedial measures, but to remove the cause giving rise to these conditions.

Such a store and its employees deserve the confidence and patronage of the shoe buying people and thus well repaid for their continuous effort in study and financial investment.

GAS. CO. HAS A NEW MANAGER

Raymond W. Jones, former home service engineer for the Community Natural Gas Company at Abilene, has been named sub-district manager of the company at Hamlin. W. M. Brayman, District Manager, was over from Stamford, Tuesday, introducing Mr. Jones.

Mr. Jones' appointment was effective February 11. W. R. Zinn, who had been in charge of local properties for the past few months, has been transferred to the Seymour district.

RAYMOND W. JONES

Mr. Jones had served Community Natural at Abilene as home service engineer since August 16, 1933. He has been in continuous service with the company since the acquisition of the gas properties at Abilene from the West Texas Utilities Company in 1931. Mr. Jones was originally employed by the West Texas Utilities Company in the gas department in May, 1925.

The new manager at Hamlin is a native of West Texas, and completed his high school education in Abilene. He was recently married to Miss Evelyn Darden, a native of Abilene and a member of a prominent family in that city. Mr. and Mrs. Jones have apartments in the McNeil home in West Hamlin.

We are informed that Mrs. Jones is one of the leaders in church work, being in charge of the Young People's Work in this district of the Methodist.

The Herald in behalf of all Hamlin welcomes Mr. and Mrs. Jones to our city.

JUNIOR PLAY NEXT THURSDAY

Next Thursday evening at 7:30, the Junior class is presenting their annual play. The play, "Molly Rushes In," is a comedy in three acts, furnishing plenty of wit, humor and as it will keep you guessing as to just how it can undo its tangles. Forrest Greenway will give music selections, and the Baze Bros. Quartet will sing for us, while Mrs. Grady Bowdry, whom we are making an effort to get, will whistle for us. Much time and effort has been spent in preparing the play, and we want each and every one to come out and see it. The admission will be 15c and 25c. The characters of the play are: Molly Merideth, played by Inez Howard; Richard Gordon, by Gilbert Freedman; Constance Gordon by Bula Lou Burns; Rodrick Ward, by J. B. Terrell Jr.; Randolph Page, by J. T. Sipe; Tom Lansing by Ray Humphrey; Marcella Lansing, by Fleda Elkins; Sally Carlisle by Lilla Bell Moore; John Shelby by Fred Bunson; Miss Sherwood by Irma Locke; Rutherford Raine by Lorraine Sipe; Larry Lane by John F. Green.

The Junior class is sponsored by Mr. Carl Pee, and the play is being coached by Mrs. E. O. Larkin. Proceeds of the play goes to the fund for Junior-Senior banquet.

Mr. and Mrs. F. D. Wells and little Miss Patsy returned last Friday from a visit with relatives in Wichita Kan., and Tulsa, Okla.

Mr. and Mrs. Clinton Gillis are entertaining a new daughter who arrived in their home Saturday morning, February 8. The little lady has been named Barbara Ruth.

CONTINUED COLD DELAYING CROPS

This is written on Monday, Feb. 17, 1936, and only to keep a record.

This day the temperature is perhaps as low as 20 degrees—it makes one of the longest freezing and sub-freezing periods in this part of Texas—maybe not the longest and coldest—but the point is that this part of Texas usually has several weeks of ideal sunshiny weather between January 1 and March 1, along with a few sharp cold spells lasting a few days—not so this year, 1936.

Results of the continued cold might be listed as general farming delay, late oat sowing, late budding of trees, hardships on stock and poultry, late gardens, and much sickness—building improvements delayed, and business set-backs.

Let us watch what follows: We know that vast areas of unusual deep snows and ice cover the north. A sudden thaw with big rains will cause great floods and damage. A slow thaw means the recurring "northers" in the this otherwise balmy climate. Slow melting may continue late frosts and cause late planting. Conditions point to much rain in the spring and maybe summer. Plenty of rain will make up for delayed crops. If unusual cold weather indicate wetter seasons, this year no one need fear a drought.

In this county we cannot understand what it means to be "snowed under" as the people are in the states north of us, where trains and trucks can't run, where streets and rivers are blocked, where fuel is scarce and gas mains are pulled apart by frozen-expanded earth. It is hard to stop activities in Texas for a day—it must be terrible where the cold congeals action for weeks.

In the land of Texas a long freeze has many valuable features to farm interests. One of these is the ef-

Hamlin to be Host to 17th District Baptist Convention March 5th and 6th, 1936

NOTICE

TO DELINQUENT CITY TAX PAYERS

MARCH 31st, 1936 IS DEADLINE FOR PAYING CITY TAXES WITHOUT PENALTY AND INTEREST.

We have been very lenient with delinquent tax payers in the enforcement of collections and the remission of penalty and interest, but we are now confronted with the necessity of raising more money in order to carry on the City Government.

We do not want to be unduly hard on any one but these delinquent taxes must be paid.

Arrange to pay your city taxes now and save the penalty and interest, also save the city the expense of employing a Tax Attorney. CITY COUNCIL. (17-6t)

OATS OATS

We have seed oats, clear of Johnson grass, for sale at 35 cents per bu. JOHN T. DAY & SON, INC.

fect on insect life—let's watch that too—if it turns out that we have more boll weevil, more army worms, more chinch bugs, green bugs, grasshoppers, and cotton lice—then maybe we are wrong about the cold. A "land freeze" has the effect of opening the soil and pulverizing to permit deeper moisture—some think deep freezes of soil mean easier cultivation.

Anyway we look at the cold, the snow and cloudy weather—anything is better than sandstorms and dust rains.

The first big convention for Hamlin for 1936, is to be here on March 5 and 6, when the Hamlin Baptist Church will be the place of meeting of the 17th District of Texas.

Extensive preparations are being made for this Convention. A guest list amounting to perhaps 500 people will be on hand. This means Hamlin people will have the pleasure of playing host individually to a great many of the 500 who come from a distance. This means that YOU, who have a spare room to permit a visitor to sleep in, will be asked to help out—forget denomination. It might be a good Baptist would be made better by being a guest in a warm home of a Methodist or some other equally congenial church affiliation—on the other hand a Nazarene, or Presbyterian or some other church preference might enjoy the company of a big old Baptist. See So if we do have a great number of visitors in Hamlin on March 5 and 6 everybody will do their best to entertain them, so that they will return to their homes well impressed by the cordiality and friendliness of Hamlin.

This short mention of the Convention is a mere hint and in due time you will have a chance to sign up for your guests—to furnish them a place to sleep and a little breakfast. Next week a full detailed program will be given.

NOTICE TO FARMERS

In the next two months we will be grading cotton seed in the Carlton, Neinda, McCaulley and Swedonia communities. Wait for us. If you have seed to be graded please drop a card, stating how many bushels.

C. U. BAIZE, Rt. 1, Hamlin. (17-3p)

LET AN ELECTRIC REFRIGERATOR SERVE YOUR HOME THIS SUMMER

once you've enjoyed its many conveniences . . . you would never, never do without one!

The Spring and Summer months bring greater demands in refrigeration. High and excessive temperatures require a dependable source of refrigeration in order to properly preserve foods.

Electric refrigeration will meet these demands! Regardless of how hot the Spring and Summer weather, you have a constant temperature automatically maintained. Consequently, milk products, meats and other hard-to-keep foods are kept fresh and pure in your electric refrigerator.

Electric refrigeration will always keep food within the safety zone and give the added convenience of plenty of ice, frozen desserts and salads.

Plan now to enjoy the many conveniences that a modern electric refrigerator adds to the home. Once you have enjoyed them, you will never do without one.

ANSON JONES STATUE FOR

ANSON IS AUTHORIZED

At an approximate cost of \$7,500, a heroic size statue of Anson Jones will be placed in this city. The Texas Centennial Commission has already authorized the appropriation for the statue.

This statue was obtained for Anson through the efforts of local people, Miss Hybernica Grace and Walter S. Pope, Jr., making one trip to Austin in its interest.

Anson Jones, for whom the county was named as well as the city of Anson, was the last of three Presidents of the Republic of Texas. The other two were Sam Houston and Mirabeau Lamar. No statue has ever been erected for Anson Jones though Sam Houston has several in his honor and one is being erected near Houston in honor of Lamar.

Few appropriations for statues have been made for West Texas, and some of the ones that have been provided for, are at Canyon Normal School, Texas Tech at Lubbock, El Paso and the reconstruction of an old fort at Jacksboro. Shackelford County, will have a marker for Fort Griffin. There will also be markers placed on Jones County highways calling attention to Fort Phantom Hill.

The place of erection for the statue of Anson Jones has been left up to the people of Anson.

—WESTERN ENTERPRISE.

YOUNG GOVERNORS COMING

TO TALK GOVERNMENT

AUSTIN, Texas, Feb. 17.—Governor Phillip LaFollette of Wisconsin, will address the Student Government Conference to be held at

The University of Texas February 28 and 29. He will be introduced by Governor James V. Allred of Texas, and will be a house guest at the Governor's Mansion through March 2, Texas Independence Day. On that day he, Governor Allred, and Governor Hill McAlister of Tennessee, will attend the Washington-on-the-Brazos celebration in Huntsville.

Problems peculiar to student governments will be discussed at this conference, which University of Texas officials hope to make an annual one, according to Jenkins Garrett of Fort Worth, president of the University Students' Association. This conference will be the first of its kind ever held in Texas. It is expected that approximately seventy representatives of student governments will attend.

Only 38 years of age, Governor LaFollette is peculiarly adapted to address the youthful collegiate officials, it is believed. When he began his campaign for governor in 1930, he was termed "the boy candidate."

Governor LaFollette's address on Friday night, Feb. 28, will be open to the public, and will be held in Gregory Gymnasium, Garrett said.

QUAINT LETTER FROM JAPAN

AUSTIN, Texas, Feb. 17. — One of the quaintest and most courteous of the letters from foreign countries that have come to the Visual Instruction Bureau of the University of Texas is a recent inquiry from Kobe, Japan. The envelope was addressed to Messrs. Stuff of Film Edu., care of Texas University, State of Texas, U. S. A.

The letter reads:

"We are a member of the Educa-

tional Film Association of the Osaka Mainichi. Now, we have recently recognized the brilliant achievement of the Film Education in the U. S. A. on our "Educational Film News." Admiration and astonishment make us a request of getting a series or a copy of your bulletin on that sort of works.

"Yu, the Honorable Stuff of the Texas University! Would you kindly lead us with your full heart and give us the best practice? The best thing we are longing is to know the actual status of it in your school."

The letter was signed, "Yours sincerely, The Kobe Wakinhama. P. S. E. F. D. T. Gotoz."

THIS evidently was sent out as a burlesque on the English and spelling of the "learned" Japanese. To be fair, now, let's have one of the "learned" Doctors of our State University, to write a letter in Japanese asking for information.

BAKE SALE

Cake—Pies—Dressed Hens. Sponsored by South Side Home Demonstration Club. Let the H. D. Club help you with your Washington's birthday dinner, Saturday, Feb. 22, at BRYANT-LINK GRO. CO.

Arie Lee Thompson, former Hamlin boy who now owns and operates the "Thompson Bakery" at Anson, left Sunday for a 15-Day National Bread Specialty School in Buffalo, N. Y. He will stop over in St. Louis and be a guest to the Anheuser-Busch Yeast Co. and several baking concerns. The school will sponsor an excursion to New York City and into Canada where the baking facilities will be visited and studied. Arie Lee will return back by Washington, D. C. He plans to stop and see our Hamlin boys while in Washington.

NOTICE TO CLUB WOMEN

The Jones County Federation of Women's Clubs is requested to meet in Anson at the District Court Room, Saturday, February 29th, at 2:30 clock. The purpose of the meeting is for a discussion of several important points relative to the Centennial.

Yours truly,
Mrs. C. A. STRUVE,
Acting Secretary.

AS HAS GREATEST

SPINACH CENTER IN WORLD

The farm in Zapata county, Tex., alone produces more spinach each year than is grown in any other state in the Union. Zapata county is in the rich Winter Garden district of Southwest Texas. Crystal City, county seat and active shipping center is a Centennial celebration city with its Spinach festival planned for March 17.

Crab—I see where a western woman is able to shoot a coin right out of her husband's fingers.

June Bride — This chicken-a-laking doesn't taste quite right, darling. I'm afraid I left something out of the recipe.

Darling—That taste could never come from something you left out. It must be something you put in.

The Empire State building is the tallest man-made object in the world.

DRIVERS' LICENSE AT JOHN GREEN'S

The Herald is informed by John Green that he has made all arrangements to issue the Texas Auto Drivers License at his place of business next door to the Dillard Hotel.

NO COST—NO CHARGE

This one thing you can get without cost—not even a charge for filling out the license, and all car drivers MUST possess a drivers license on and after April 1.

To get your Drivers License at Mr. Green's place will save a rush, and John is prepared to handle several thousand applicants. Get yours and tell your "elbow neighbor."

Senator Wilburne Collie, of Eastland, visited the Herald Tuesday while here on the visit to the Chamber of Commerce banquet. A visit of any member of the legislature is enjoyable to the Herald man, especially if the member will talk and let one know how they stand on public matters. Mr. Collie is very open and free on state affairs, however, he is like most everybody — very much puzzled as to where Texas is going to get enough money to meet all bills that must be paid.

MATTRESS MAKING

The Swedonia Home Demonstration Club made over a mattress at Mrs. H. J. Jackson's Feb. 7. The work was done under the supervision of Mrs. B. L. Kemp of the McCaulley Club.

This was an all-day meeting, each one bringing a covered dish for the lunch.

Six members were present and two new members admitted. These were Mrs. F. E. Jones and Mrs. Jessie Watson.

Next meeting at Mrs. E. G. Young's Feb. 18.

—REPORTER.

Close friends of Mrs. E. Clyde Smith, who formerly lived in Hamlin, received a message on Friday of last week, that Mrs. Smith's father, Q. Cooper, had died at his home in Odessa. He had made many acquaintances here while visiting his daughter.

Refreshing Relief When You Need a Laxative

Because of the refreshing relief it has brought them, thousands of men and women, who could afford much more expensive laxatives, use Black-Draught when needed. It is very economical, purely vegetable, highly effective. Mr. J. Lester Roberson, well known hardware dealer at Martinsville, Va., writes: "I certainly can recommend Black-Draught as a splendid medicine. I have taken it for constipation and the dull feelings that follow, and have found it very satisfactory."

TALK ON RUSSIA AT MISSION TONIGHT

Hamlin will have an opportunity day, To-day and Tomorrow," by to hear a lecture on "Russia, Yesterday of America's foremost ministers, Dr. Fred W. Ingvaldstad, when he speaks at the Hamlin Mission on Friday, Feb. 21, at 7:30 p. m.

Dr. Fred W. Ingvaldstad is a former pastor of the First Methodist Church of Oklahoma City, and a close friend of Edwin Markham, the poet, who wrote the introduction to Dr. Ingvaldstad's collected anthology, "RED SHOES."

Dr. Ingvaldstad has debated with Clarence Darrow. The Henry Ford Motor Company published his address on Capital Punishment. He has broadcasted for years on the Religion of the Coming Social Order. In his college days he won an Interstate Contest in a field of forty-six College Orations, arguing against Militarism.

He is a graduate of Simpson, Northwestern and Chicago University and a member of four fraternities, Alpha Tau Omega, Alpha Theta Gamma, Theta Phi and Phi Rho Delta.

Dr. Ingvaldstad is also a member of the Rotarian, Kiwanis, Lion Clubs. Until recently he was a Trustee of both the Oklahoma City University and the Oklahoma University School of Religion.

Born in Colorado, he is a descendant of both John and John Quincy Adams.

Last summer he spent some three months in Russia, where he interviewed Archbishop Alexander Vedinski of the New Russian Church. He traveled through Russia without a guide, visiting some 90 cities and towns.

He is lecturing under the auspices of The American Guardian, a national weekly published at Oklahoma City.

Dr. Ingvaldstad comes to Hamlin from California where he has lectured daily for four months before civic, university and forum groups.

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled. Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

NEWS FROM HERE AND THERE

Mrs. J. T. Dennis died at Crane, February 13, 1936, at five A. M.

Mrs. Dennis' maiden name was Miss Emma Luce. At the time of her death she was 66 years, 4 months, and 15 days of age.

She was married to Mr. J. T. Dennis and to this union eight children were born, six surviving.

The family moved to McCaulley community in 1924 from Moran, living in Fisher County seven years. They moved to Moran in 1931, and later to Crane. The past year the family lived in Plasterco Community, moving to Crane three months ago.

Mrs. Dennis was a true Christian. She was known to many as "Aunt Emm." Her wish was that she might live to see all of her children grown. God granted her this wish and she passed to the Great Beyond knowing her work on earth was completed.

Surviving are her husband, three daughters, Mrs. Schultz Duzan, of Odessa, Mrs. Willie Moore of Hamby, Miss Lucille Dennis of Crane; three sons, Will Dennis of Hamlin, Lon Dennis of Abilene, and Winfield Dennis of Crane. Twenty-six grandchildren and two great grandchildren; three sisters and four brothers.

Funeral services were held by Rev. Cole Jackson at Moran Christian Church.

The body was placed to rest in

H. E. Woods, of Neinda, is rapidly recovering from several weeks of Mr. and Mrs. Leon Bingham have returned to Plainview after spending several weeks with relatives near Hamlin and Stamford.

Little Joe Arthur Neil, son of Mr. and Mrs. Tom Neil of Abbie, is ill with pneumonia.

Misses Tressie and Lura Brown visited Miss Eunice Brown of Plasterco Friday night.

—The Rambling Reporter.

WILL ISSUE CERTIFICATES SUNDAY MORNING

The services Sunday 11:00 a. m. will consist of reports from those attending the recent training class. Special music, a poem on training school work by Mrs. Ida Simkins, and the issuing of the certificates. This will doubtless be an interesting program for it is to be the echo from a week of intense and helpful study of the "Stewardship Life."

Now that the weather is clearing up and promises to be warmer than the past several Sundays, make your plans to attend services both morning and evening.

Services 11:00 a. m. and 7:30 p. m. Sunday School 9:45 a. m. and League 6:30 p. m.

"It is more profitable to invest a fortune in boys during ones life time, than to die leaving a bank account of forty thousand dollars."

"A clear conscience is a prerequisite to peace of mind."

H. A. LONGINO, Pastor.

PREACHING AT NEINDA

I will preach at the Neinda Baptist Church, Sunday, Feb. 23, at the Eleven o'clock hour. My subject for the hour will be "Seven New Things," from the 21 chapter of Revelations.

J. S. HUBBARD.

McCAULLEY 4-H CLUB NEWS

The McCaulley 4-H Club Girls met Wed., Feb. 5, for the third meeting of 1936. Miss Jennings met with us this time, and the lesson was about comforts. Miss Jennings showed us materials for the tops of comforts, and different kinds and grades of padding for the inside. Wool is preferable for the padding, but cotton can be used. We learned that we won't have to use two sets of blankets and four or five quilts on these cold nights if we have a comfort. For this reason, several of the girls are planning to make comforts.

Miss Jennings brought us some more receipt books, and from the number we have now, we should be able to prepare some very good meals. She also gave us some pamphlets on "Gardening."

We have twenty-six members in our club this year, and we really en-

Chevrolet Trucks In Thrilling Tests Atop Pikes Peak

In the first formally observed and timed tests of motor trucks over the perilous hairpin turns and steep switchbacks of the Pikes Peak auto highway, near Colorado Springs, Chevrolet 1½-ton and half-ton trucks demonstrated their power, endurance and efficiency over the course of the annual Labor Day hill climb contest, a distance of 12 miles, 2200 feet, with a rise of 4959 feet from the start to the summit, 14,109 feet above sea level. The upper illustrations show the 1½-ton truck, driven by W. P. Bentrup, on its way to a record of 37 minutes, 52½ seconds, with its full 3000-pound load (it made the run afterward, without load, in 26 minutes, 12 seconds), and the officials at the finish (left to right): Harry Hartz, technical advisor; Robert M. Ross, Detroit Times; Dan Kennedy, Colorado Springs Gazette and Telegraph; and John L. Jenkins, Chicago Daily News. The lower photos show the Chevrolet half-ton truck, which Harry Hartz drove to the summit in 25 minutes, 3 seconds, and the finish of the run of the 1½-ton truck with full load.
